**A word about equine rescue:**

Your ongoing support is vital to our ability to continue to advance our purpose. We appreciate your membership, however, inactive members who do not contribute physically or monetarily are not what the horses need. Everyone leads a busy life. Most juggle work, family, outside interests and activities. We hope that you will be at least somewhat active and will care about the organization for the sake of its mission. On behalf of the equine, we want you to know that we appreciate any activity you can give.

If you plan to volunteer, please fill out our volunteer registration form and enclose it along with this membership registration form.

Thank you for caring!
